Carlisle School Direct

the inspiring pathway

teaching

Welcome to Carlisle School Direct, your gateway to premium quality hands-on Training at Primary Level. The schools forming Carlisle School Direct have come together to engender student teachers with the knowledge and skills essential to develop the future learning and achievement of young people across Carlisle and the surrounding areas.

Built around a close partnership between an alliance of leading schools, Carlisle School Direct offers an exciting way to 'learn to teach by teaching' that covers every classroom situation; from small rural schools to the area's largest schools, including a number of establishments categorised as 'Outstanding' by Ofsted.

Developed in close association with the University of Cumbria and Carlisle's Trinity School, the alliance provides the perfect opportunity to gain real in-school experience of teaching at Primary level, working closely with highly experienced, inspiring teachers who will share their unique knowledge and experience with you.

PGCE Primary teacher training accredited by the:

University of
Cumbria 

to a career that fulfills everything

The Carlisle School Direct solution:

- ▶ The Carlisle School Direct alliance of leading schools are aiming to recruit candidates of the highest calibre to meet their future requirements for inspirational teachers who will nurture and develop the full potential of the region's young people.
- ▶ Based around a one year PGCE course, the School Direct programme is a fantastic new way to undertake your teacher training and gain the nationally recognised qualifications and real hands-on experience, whilst significantly improving your employment prospects.
- ▶ The School Direct solution enables Graduates to combine high quality Teacher Training moderated by the University of Cumbria with enriching school-based learning that enables you to get a real feel for this most fulfilling of professions.
- ▶ Carlisle School Direct works in close association with Cumbria Secondary Learning Consortium, and benefits from their extensive experience as a School Direct training provider.

“there is lots of support available within a real school context”
